ERAPPA 2024 WELCOME FROM LESLIE AND AMBER

We are so excited to announce the launch of the ERAPPA 2024 Annual Conference, coming September 29 to October 2 2024, to Valley Forge Casino Resort in Valley Forge, PA. We hope this will be an ideal opportunity to come together once again to discuss lessons learned, share new best practices, and to renew the strong bonds that have always made ERAPPA such a vibrant organization.

Our theme, **“Lead to Inspire,”** was chosen before the pandemic struck but nevertheless perfectly captures what we have all seen to be true: that there is much inspiration to be found in the leadership demonstrated by facilities professionals during this period. We hope to make the ERAPPA 2024 Annual Conference even more collaborative than usual, a place where we can all connect and weave our stories together. There will be ample opportunities to strengthen and build your ERAPPA network, ranging from the Hall of Resources with new interactive features to signature conference social events that will make the most of the area’s many nearby amenities. We have also maximized the number of scholarships available to ensure all our Institutional members, regardless of their campus’s current financial policies, have the opportunity to attend this inspiring ERAPPA conference.

On behalf of DVAPPA and our host committee, we are looking forward to welcoming you all to Valley Forge in Fall 2024. Be sure to visit the conference website for additional information and stay tuned for further updates as they become available.

Sincerely,

Leslie and Amber
